## 1. Preliminary Statements

Applicants submit herewith patents, publications or other information of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made, an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

### (2). Identification of Information Items Accompanying This Statement.

A legible copy of reference AB listed on the attached Form 1449 accompanies this Information Disclosure Statement. This application was filed after June 30, 2003. Therefore a copy of reference AA, which is a U.S. patent document is not required and is not included.

### (3). Certification Under 37 C.F.R. §1.97(c)/(d) as set forth in 37 C.F.R. §1.97(e)

The Information Disclosure Statement is being filed before receipt of the first Office Action; however, in the event that the IDS and the first Office Action cross in the mails, the undersigned hereby certifies the following:

X That each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart for an application not more than three (3) months prior to the filing of the Statement.

or

— That no item of information contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application or, to the knowledge of the person signing the certification after making reasonable inquiry, was known to any individual designated in §1.56(d), more than three (3) months prior to the filing of the Statement.
